

2018 Election ~ Candidate's Pro-Life Questionnaire

Taking the *life* of an unborn child is a horrendous and murderous act that has claimed millions of a generation.

President Donald J. Trump has boldly proclaimed a pro-life position and from across our great nation, representatives are speaking up for the *silenced* voices.

As a "conservative 2018 candidate," does the AZ pro-life community have your pledge to support the President's pro-life agenda to include your pro-life vote on all pro-life legislation whether serving at the state *or* federal level in accordance with the current 2016 GOP Platform, Page 10: "*We have these truths to be self-evident – that all men are created equal – that they are endowed by their Creator with certain unalienable rights - that among these are **LIFE**, Liberty and the Pursuit of Happiness*"?

Government exists first and foremost to protect these unalienable rights that God bestows on every individual; that man-made law must be consistent with God-given natural rights; that if God-given natural rights come in conflict with government, court or human-granted rights, God-given natural unalienable rights ***always prevail*** – and there is a moral law recognized as the "laws of nature and of Nature's God."

As a "conservative 2018 pro-life candidate" will you:

- 1) Remain constant in safeguarding the dignity of every innocent human life from "*Conception until Natural Death*"?
- 2) Pledge to not allow to be misled by ignorance *or* corrupted by fee or favor?
- 3) Boldly proclaim your unwavering stand for the "culture of life" ensuring every innocent life is protected under the guidelines of the U. S. Constitution?
